British Origami Society : Geometric folding in the fascinating world of Thoki Yenn - Orikata before purchasing it in order to gage whether or not it would be worth my time, and all praised Geometric folding in the fascinating world of Thoki Yenn - Orikata:

0 of 0 people found the following review helpful. Five StarsBy DeelThoki has some very interesting models.

With a unique illustration style Thoki Yenn includes a number of geometric origami folds both single piece designs and modular. This new edition includes his famous 'Shy Rabbit' character, DNA spiral and Sand Reckoners Cube.
