Cathy Wierzbicki : Geometric Gems: Quilts from Diamonds, Circles, and Squares before purchasing it in order to gage whether or not it would be worth my time, and all praised Geometric Gems: Quilts from Diamonds, Circles, and Squares:

3 of 3 people found the following review helpful. Love this book. Great directions. By Susan Page Bought this to do the Pineapple nine patch. Used my Accuquilt go cutter to cut almost all of it. Makes a beautiful quilt that looks so much more complicated than it is. Good instructions and graphics. I can't wait to try some of the other patterns in this book. 0 of 0 people found the following review helpful. Five Stars By Peggy Cunningham Very informative and helpful. 0 of 0 people found the following review helpful. Great book By Delilah Treft Love the book. Can't wait to get projects done from this book.

Rich with color and design, every quilt in this book is a treasure! By making clever use of angles, popular author

Cathy Wierzbicki presents intriguing projects that look far more complex than they really are. Choose from seven dazzling designs using easy cutting and strip-piecing techniques. Some quilts--such as the beautiful "Pajama Prayer"--feature a free-motion embroidery technique for adding words and sayings.

About the Author Cathy Wierzbicki is an experienced quiltmaker and all-around crafty person. She lives in the Pacific Northwest with her husband, Tom, but she never turns down an opportunity to be in the Midwest, where you can often find her enjoying time with her two children and three grandchildren. She looks forward to more opportunities to travel and share her love of quilting with quilters wherever they gather. Cathy has written several quilting books and is the owner of Time to Quilt, a pattern-design company. How-to videos by Cathy: The Quilter's Boot, Nine Patch With An Attitude, Pineapple Nine Patch
