**Christine Fritsch : Gifted Wrapping: Creative Wraps and Ribbons for Every Occasion Step-by-Step Instructions for Stylish and Elegant Gift Wraps for Perfect "Present"ations** before purchasing it in order to gage whether or not it would be worth my time, and all praised Gifted Wrapping: Creative Wraps and Ribbons for Every Occasion Step-by-Step Instructions for Stylish and Elegant Gift Wraps for Perfect "Present"ations:

4 of 4 people found the following review helpful. 6 stars! Best "how-to" book I've foundBy ChristineI own several Gift wrapping books and when I ordered and received this my expectations were rather low, based on the packages I

saw on the cover. While I liked some of the techniques used I did not like the presentation (of individual gifts or of the theme, or lack of theme, of all the packages on the cover. But Inside... WOW! I have flagged almost every single page as a separate idea (with detail instructions, tips, and illustrations) I will use in wrapping. Many of the techniques EXPLAINED here are techniques I've seen in other places and even tried with no success. In reading this book I found myself saying "so that's how they do that" over and over!!! She also has a unique esthetic that grew on me as I went through the book. It is different from other books and that is always great for inspiration. I can't recommend this book enough. 0 of 0 people found the following review helpful. Love It By Von I love nicely wrapped gifts. There's several techniques. I plan to use some of the techniques on greeting cards and scrapbook pages I create. 0 of 0 people found the following review helpful. Five Stars By Jay P Nice.

Gift-wrapping has become big business, as busy people flock to the gift-wrapping departments of their favorite stores, and to high-end personal gift wrappers. Gift givers are frequently spending as much or more on wrapping than on the gift itself. For anyone who pays attention to the details and insists upon the finishing touch that a creatively wrapped gift provides, this book is for you. It teaches, through step-by-step projects, how to wrap commonly shaped gifts beautifully and affordably. Design tips and resources for materials and designing home gift centers help take anyone's skill to the next level. Included in the book are step-by-step projects that are easily duplicated; instructions for folding paper and making bows; interesting ideas for bow making and sources of papers and lots of ideas that are appropriate for various gifting occasions. Above all, the ideas are presented through beautiful photographs of completed gift-wrapped packages, step-by-step illustrations, and how-to copy and resources.

About the Author Gift-wrap stylist Christine Fritsch holds the honor of having been named Scotch Tape's Most-Gifted Wrapper of 2002. She trained in Japan, where presentation is supremely important, and has worked at premier wrapping stores like Kate's Paperie in New York City, and private clients. She lives in Madison, New Jersey.
