Lorna Tedder, Shannon Bailey : Gifts for the Goddess on a Cold Winter's Eve before purchasing it in order to gauge whether or not it would be worth my time, and all praised Gifts for the Goddess on a Cold Winter's Eve:

If you're a follower of the Old Ways, try a few new ideas in the areas of Home and Hearth, Health and Beauty, Sharing with Friends, Pagan Children, and Sky and Garden. Try these fun, soul-affirming ways to give to the Goddess and get

back three-fold!

"How many holidays have you wracked your brain trying to think of something new to do when you celebrate? Or what about those days you just wanted to bring a little magick into your life? Gifts for the Goddess on a Hot Summer's Night is a delightful book of ideas on bringing magick into everyday life." -- Acorns Pagan Homeschooling Newsletter on the first in the series "This is a much needed book to help infuse new and old ideas for the pagan family. Gifts for the Goddess is loaded with wonderful material for the areas of the home and hearth. This to me was a book that I could or can sit down with my children and other family members and take a stroll down memory lane." -- The Healing Alternative From the Publisher The Autumn edition was a Finalist in the 2001 EPPIE competition for outstanding ebooks. About the Author Shannon Bailey enjoys being the first to discover new music, long before her favorite bands make it to radio and YouTube. She is a psychology major and enjoys writing and discussing random events pertinent to her generation. Lorna Tedder A former Southern Baptist, Lorna holds a doctorate in metaphysics and is a Third Degree High Priestess of Wicca. She has written novels and non-fiction for three major publishing houses and one small press.
