They are beautiful prints of happy subjects. Glitter Birthday Stickers (Dover Stickers)There are other Dover sticker books that are also wonderful, and at the amazingly low price of under 2 bux! Check out the artist ones: Monet, Picasso, Degas etc. Flowers, fairies, bouquets, and more are equally well-presented.3 of 3 people found the following review helpful. Very pretty!By Janet Dela CruzI LOVE these stickers. They are so pretty! The bad thing is that they're a bit expensive for just a few stickers. They do look pretty on the birthday cards I sent out. My friends thought they looked pretty too!1 of 1 people found the following review helpful. Five StarsBy

SusieVery festive and beautiful.

Twelve sparkling images of wrapped gifts, colorful balloons, cards, party hats, floral bouquets, cakes, and other birthday treats bring luster to a special day. Stickers are perfect for adding a touch of dazzle to stationery and scrapbooks.
