**Kelly Reno : Good Gifts from the Home: Candles, Bubble Baths, and Other Romantic Gifts--Make Beautiful Gifts to Give (or Keep)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Good Gifts from the Home: Candles, Bubble Baths, and Other Romantic Gifts--Make Beautiful Gifts to Give (or Keep):

0 of 0 people found the following review helpful. Five StarsBy Karen GulleyI have purchased most of these books and I love them all.6 of 6 people found the following review helpful. Small Book but Some Good ReceipesBy A CustomerI have been trying to order this book for a while but each time something went wrong. I am happy to say I finally received the book and in record time from one of the best sellers at Market Place. I was surprised how small the book was with little or no photos showing the project or even the step by step guides. Granted the receipes are simple and easy to follow written guidelines I just feel cheated if there is no pictures. Overall I am going to rate the book a 4 because of the simplistic nature of the receipes I am excited to start trying them. I sell soaps on the side (when I am not book selling) and I find some of the best receipes are 3-5 ingrediant and takes 5 minutes to prepare. The hardcover is nice and tight the book itself is small but text size is normal.I did not realize that a big portion of the book (half) would be on candlemaking. While interesting it is not what I needed. There is approx. 33 soap/bath beauty receipes of which

I will use about 75-80% of so I do like the book. I would of given 5 stars but they lost one star because of the lack of Pictures. (Dj has a nice one. I recommend you cannot go wrong-Too simple for the professional soaper, I am just thrilled it doesn't call for all the complicated ones I have to do. As a Gift I would Highly Recommend.

Luxurious and Romantic Gifts for PamperingButtermilk Bath Soak, Lime Sparkle Cream, Citrus Aftershave Gel (for men), After-Dinner Dessert Candlethese are just a few of the rare gift ideas found in this book. Whether you are giving them to a friend or treating yourself to an indulgent escape, these small luxuries are easy and affordable to make.
