Jeff Gill : Goodbye Spacebar: I Hope There Isn't An Earthquake Right Now: Volume 1 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Goodbye Spacebar: I Hope There Isn't An Earthquake Right Now: Volume 1:

When not busy working as an animator, illustrator/blogger Jeff Gill was finding it hard to keep himself artistically motivated. To continue his pursuit of drawing, Jeff created a daily art blog as a way to push himself to create new art for every day of the week. This book is a collection of some of the best doodles from his first year of drawings for Goodbye Spacebar.

About the Author Jeff Gill is an animator and illustrator of goodbyespacebar.com His work can be seen through many media channels including television, commercials, and festivals.
