Catherine Hirst : Granny Square Crochet: 35 contemporary projects using traditional techniques before purchasing it in order to gage whether or not it would be worth my time, and all praised Granny Square Crochet: 35 contemporary projects using traditional techniques:

1 of 1 people found the following review helpful. A great book to give to a beginner.By JoanieThis book is in "UK" terms, but the patterns come with a diagrammed too. The book revisits some of the old favorites, given fresh faces with new colors. Overall, a great book to give to a beginner or to collect for those that just love crochet!3 of 3 people found the following review helpful. Granny Square CrochetBy Lazy DazyThere are very nice projects in this book, a good sampling of granny square crochet including the original, very basic "pattern" used to make granny squares. The merchant was prompt in shipping and the packaging was excellent as well. The condition of the book is near perfect as stated on the site! I would recommend this book to any person who is at any level of crocheting.0 of 0 people found the following review helpful. Five StarsBy kayceyHas some good and different patterns

The granny square is the starting point for many people when they first learn to crochet, but as their skills progress, this versatile crochet block is often forgotten. In Granny Square Crochet, crochet teacher Catherine Hirst presents 35 projects which show how this traditional square can be updated and used in many different ways. The first chapter has

over a dozen projects for the home, ranging from a blue-and-white mug cozy which can be made in less than an hour, to a stunning bed cover. There are pillows and seat covers to brighten up your living room, plus place mats, drinks coasters, and a runner for your table. The second chapter has some great accessories, including gloves, scarves, and bags, and even a dog coat to keep your favourite hound warm in winter. The third chapter has a great range of patterns to make as gifts for children and babies, such as crib and baby carriage blankets, bibs, hats, and toys. Each project is graded according to the level of skill required, and there is a comprehensive basic techniques chapter explaining all you need to know.

About the Author Catherine Hirst was taught crochet at a young age by her grandmother and took to it immediately she quickly learned to knit and embroider as well, and has been hand-making clothing, accessories, and gifts ever since. Her first book, *Teeny Tiny Crochet*, is also published by CICO Books. The author is based in London, UK.
