6 of 6 people found the following review helpful. Wonderful fashion reference, for those who can't bear to cut it up By Elizabeth A. Root Tom Tierney has produced (at least) five collections for the 1920s, each focussing on a different aspect of clothing. His American Family of the 1920s Paper Dolls in Full Color concentrates on the clothing of ordinary, moderately well-off people. His Roaring Twenties Paper Dolls collection is about costumes for the younger, more fashionable set. This is a collection of haute couture for the period. There are also volumes of Erte fashions (e.g. More Erte: Fashion Paper Dolls of the Twenties.) Tierney's paper doll clothes would be somewhat difficult to cut out,

but these books make an excellent fashion reference. Each piece has a clear description, with details of fabric, hair, etc. 0 of 0 people found the following review helpful. ... been more than 2 dolls but the outfits were awesome. Zelda and Scott Fitzgerald the "Lost Generation" illustrations by John Held, Jr. the "It" girl Lucky Lindy Louis Brooks prosperity, seemingly endless, and the inevitable crash. The twenties loom large in the American imagination as a decade unto itself, a brief span of years, but with a style all its own. In this paper doll collection, noted fashion illustrator Tom Tierney brings back the style that set the twenties apart, at least in terms of haute couture. Here are the fashions that gave the decade its distinctive chic and, in the process, revolutionized women's wear. Gone is the elaborate corsetry of the Edwardian age, waistlines are lower, hemlines are higher and costume jewelry is de rigueur. Thirty meticulously re-created costumes and two dolls (15 costumes per doll) present the vogueish looks established by such haute couture legends as Coco Chanel, Jean Patou, Madeleine Vionnet, Paul Poiret, Madame Paquin, Worth, Lelong, and 11 others. Paper doll collectors, costume fanciers, and fashion historians will appreciate this delightful collection of artfully rendered paper dolls and costumes.
