Joanna Johnson : Green Gables Knits before purchasing it in order to gage whether or not it would be worth my time, and all praised Green Gables Knits:

Inspired by the beloved children's classic, Anne of Green Gables, this collection of eight patterns includes knits for ages 12 to adult and includes garments and accessories for teens, women, and men. Each pattern is accompanied by quotes from the novel alongside a selection of L. M. Montgomery's personal photographs from Prince Edward Island. This work is published in collaboration with The Heirs of L. M. Montgomery, Inc.
