Sal Gilbertie, Maggie Oster : Growing Herbs in Containers: Storey's Country Wisdom Bulletin A-179 (Storey Country Wisdom Bulletin) before purchasing it in order to gage whether or not it would be worth my time, and all praised Growing Herbs in Containers: Storey's Country Wisdom Bulletin A-179 (Storey Country Wisdom Bulletin):

1 of 1 people found the following review helpful. very small but full of infoBy Genevieve EsquivieI was very surprised when I received this book, or rather pamphlet. It is very short, but so many information on how to plant, preserve, and even dry herbs. I'm a very visual person, and all the drawings to explain how to plant your herbs etc makes more sense to me; this is very basic but just perfect for me.0 of 0 people found the following review helpful. Four StarsBy Cartergot for refrence and collection0 of 0 people found the following review helpful. Love the BulletinsBy Diana G.Yep, another to our collection of Storey Bulletins. Own about 30 so far. Hope to get all (minus a couple) of them for our collection.

Since 1973, Storey's Country Wisdom Bulletins have offered practical, hands-on instructions designed to help readers master dozens of country living skills quickly and easily. There are now more than 170 titles in this series, and their remarkable popularity reflects the common desire of country and city dwellers alike to cultivate personal independence in everyday life.

From the Back Cover Since the 1973 publication of Storey's first Country Wisdom Bulletin, our commitment to preserving the arts, crafts, and skills of country life has never wavered. We now have more than 200 titles in this series of 32-page publications, and their remarkable popularity reflects the common desire of country and city dwellers alike to cultivate personal independence in everyday life. Storey's Country Wisdom Bulletins contain practical, hands-on instructions designed to help you master dozens of country living skills quickly and easily. From traditional skills to the newest techniques, Storey's Bulletins provide a foundation of earth-friendly information for the way you want to live today.
