Liz Arthur : Gua esencial del bordado (Guas esenciales series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Gua esencial del bordado (Guas esenciales series):

0 of 0 people found the following review helpful. Five Stars By Isabel Torres I love it 1 of 1 people found the following review helpful. GANAS DE EMPEZAR - WISHING TO START By Maria S. Pastrana Interesante porque muestra distintas opciones de bordado, abundancia de materiales y tnicas, excelentes fotografas. Muy buena seleccin de temas. Interesting because it features different embroidery options, vast quantities of materials and techniques, excelent photos. Very good selection of items. 1 of 2 people found the following review helpful. Guia Esencial del Bordado (Spanish Edition) by Liz Artur By tnb Un buen libro, muy buenas ideas, buenas instrucciones. Excepto, en la descripcion no especifica que este libro es para BORDADO A MANO, yo tengo interes para mi maquina de bordar, asi que tuve que regresarlo, el personal que me atendio, fue muy amable y no tuve problema en regresarlo. Agradeceria, que algunos libros den una a plia especificacion, o un numero telefonico donde preguntar antes de aquirir el libro.

With a unique blend of accessible, practical advice, and original, exciting projects, this definitive reference for embroidery enthusiasts showcases the work of 14 embroidery experts and the most common embroidery techniques. Step-by-step instructions make this a great reference for beginners who have little or no previous experience in embroidery.
