John Nehrich, New England Berkshire Western : GUIDE TO STEAM-ERA FREIGHT CAR PAINT SCHEMES. Update I before purchasing it in order to gage whether or not it would be worth my time, and all praised GUIDE TO STEAM-ERA FREIGHT CAR PAINT SCHEMES. Update I:

This update is for both the 1994 and the 1995 editions of the "NEBW Guide to Steam-Era Freight Car Modeling." Provides paint and decal information for well over 500 railroads and industrial shippers, in alphabetical order, with reference information. Each description usually also provides a little background on the company. Illustrated with Xeroxed black and white photos. 190 pages.
