1 of 1 people found the following review helpful. which isn't a bad thing. Overall this is a nice coloring bookBy AngelaI bought this for my husband as our family has recently taken an interest in coloring. There are pictures that can be completed in five minutes and others that will take longer. It's very simple compared to the other coloring books we have, which isn't a bad thing. Overall this is a nice coloring book, great for a child or adult.2 of 2 people found the following review helpful. great pics, just a little too simple and plainBy H. Hirschgreat pics, just a little too simple and plain. Should have more on the pages than just a small pic of a gun and the other 1/2-3/4 of the page is blank0 of 0 people found the following review helpful. Three StarsBy D.
