From Brand: Xrx Books : Guy Knits: Sweaters Vests (Best of Knitter's Magazine series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Guy Knits: Sweaters Vests (Best of Knitter's Magazine series):

0 of 0 people found the following review helpful. Men's Knit Patterns for Vests and Sweaters By Gerald B. A great issue featuring men's knits. A nice variety for all knitters and includes suggested yarn and needles. Glad I found this issue! 1 of 1 people found the following review helpful. Okay but not great By Lisa Jordan I wanted to knit for my husband and my adult son. Neither of them could find anything they liked in this book. Both of my "guys" like simple, masculine styles, no flash or dash. I'm not sure what was "off" in this book, but they both easily found styles they liked elsewhere. So I'll be selling this book or giving it away. 0 of 0 people found the following review helpful. Great range of patterns from classic to contemporary By Nkeithf This is a great collection of patterns (and lots of them!) with a great range of designs from very classic (often updated with nice details) to very contemporary. Most are for intermediate to advanced knitting skills. There are also some nice patterns for accessories. I was very pleased with this book, and saw a number of things that I hope to make.

From rugged to refined, and from casual to corporate, these 25 men's handknit projects are classics with style. A recent shift in the yarn world away from novelty yarns to interesting standards, luxurious blends, and rich tweeds ensures that these knits will be worn, look good, and fun to make. In addition to swatches highlighting new yarn choices, clear illustrations encourage the knitter to try color work, cables, or textured stitches for the first time. With the wide range of sizes and a special knit-to-fit section, these pullovers, cardigans, vests, and waistcoats work for men in all walks of life.

About the Author Rick Mondragon is the editor of Knitter's Magazine. He teaches specialized knitting techniques across the country. Elaine Rowley is the former editor of Knitter's Magazine and the current managing editor of XRX Books. They both live in Sioux Falls, South Dakota.
