It was fun to read By Patricia Z It was fun to read. Some of her tips were valuable. I don't think the projects are ones I could make that would have a commercial market. 0 of 0 people found the following review helpful. Great book if you want to take your felting to the next level By Jodie Burgess Beautifully designed jewelry with professional results. Well explained directions that encourage your imagination. Wool beads especially are great for many types of projects.

Contemporary and artistic approaches to crafting trendy felt-bead jewelry are offered in this comprehensive handbook filled with detailed instructions for novices and more advanced tips for seasoned fiber artists. Techniques for creating the felted equivalent of lampworked beads, turquoise focal beads, and mokume gane look-alikes are presented along with inspiring design possibilities. All aspects of the felting process are detailed, such as handling special fibers, dyeing wool, and beading on felt, as well as what types of tools are needed. Step-by-step instructions walk feltmakers

through the needle-felting and wet-felting techniques--including flat and three-dimensional work, inclusions, and texture applications--that are used to create wearable works of art.
