Nan L. Ides : Hand Mending Made Easy: Save Time and Money Repairing Your Own Clothes before purchasing it in order to gage whether or not it would be worth my time, and all praised Hand Mending Made Easy: Save Time and Money Repairing Your Own Clothes:

0 of 0 people found the following review helpful. Five StarsBy Cynthia ElizabethGreat tool for my sewing room library.2 of 2 people found the following review helpful. Good for beginnersBy CarolIntended for the novice sewer. The description implies it is for a wider audience, it is very basic - an experienced sewer has accumulated this knowledge.10 of 10 people found the following review helpful. Easy Instructions for Hand MendingBy LinguereThis is a great book for anyone who may feel a bit intimidated about mending their own clothes. The instructions are clear and the illustrations complement the instructions well. Even an experienced sewing enthusiast will benefit from Nan's money-saving tips. Use it as a reference book or as a guide for mentoring beginners.

Twelve easy, well-illustrated lessons demonstrate how to mend clothes in the comfort of ones home. Chapters include basics from threading a needle and sewing on buttons to repairing seams and fixing seams and buttonholes, ironing techniques and repairing broken zippers, all done without a sewing machine. The easy to read, step-by-step language allows anyone to sew ripped hems, replace missing buttons, fix sweater snags and so much more, replacing unwearable garments back into their wardrobe. Proving that mending is an easy, money and time saving skill that anyone men, women, children can do, this reference is an essential resource for any household.
