Lucinda Guy : Handknits for Kids: 25 Original Designs for Girls and Boys before purchasing it in order to gauge whether or not it would be worth my time, and all praised Handknits for Kids: 25 Original Designs for Girls and Boys:

0 of 0 people found the following review helpful. Great Book By Carol Bonham I searched for this book because it had a child's blanket with cars and trucks as the motif. Most of the clothing patterns are for girls and are winter warm items but are very cute. The three blanket patterns are lovely as are the illustrations. The author also responded to my email question and she is in the UK. 0 of 0 people found the following review helpful. Five Stars By Customer It has the pattern I wanted and others of interest. I will be starting one soon. 0 of 0 people found the following review helpful. Delightful knitting By M. Bailey This is the second Lucinda Guy book I have purchased and both are so much fun. I have made the adorable mouse and have a second one in the works. She has wonderful patterns for both boys and girls. Her patterns are not difficult, but she does assume you can figure the stitching out without giving detailed line by line instructions. I found it helpful to write the steps out for my project.

Designer Lucinda Guy presents 25 fantastic hand-knitted designs for girls and boys, ages two to five, with something

to knit for every season.

From the Publisher This vibrant collection is filled with knitted items the children in your life will love to wear and use. These designs are all about brilliant color and fun-filled styling, and there are garments, accessories, blankets, and toys for every season of the year. From sweaters, dresses, and jackets, and scarves, mittens, and hats, to blankets and toy animals, all the designs are suitable for the average knitter and the above-average knitter, of course! A fabulous, must-have collection for all who knit for kids. A Crafter's Choice Book Club Selection About the Author Children's knitwear designer Lucinda Guy's most recent book is Kids Learn to Knit.
