Karen Marie Vinje : Handknits from Norway: Classic Norwegian Motifs in Modern Knitting Patterns for Women and Men before purchasing it in order to gage whether or not it would be worth my time, and all praised Handknits from Norway: Classic Norwegian Motifs in Modern Knitting Patterns for Women and Men:

0 of 0 people found the following review helpful. Must Have!By Mary AnnThe first project I've tackled from this book is the "Marius Headband", and it's almost completed. Turning out beautifully, directions easy to follow. I just had

to have this book. Contains an excellent assortment of patterns, using various yarn sizes, which I very much appreciate. Definitely one of the most useful. 0 of 0 people found the following review helpful. Nice graphs
By Faith Davis
Some very good patterns in this book, typical Nordic. Will use some of the graphs to make Nordic headbands for my grandchildren. 10 of 12 people found the following review helpful. A Nice Collection of Norwegian Knits
By Fairbanks Reader - Bonnie Brody
This book contains a combination of classic and new patterns, all rooted in the Norwegian knitting tradition. Some of the patterns have been published previously, such as the 2011 World Championship Sweater which appeared in a Dale yarns booklet. Other patterns, such as the Setesdal-Inspired sweaters are based on classic motifs. All of the patterns are multi-colored as is traditional with Norwegian knits. The book is edited by Karen Marie Vinje, who has gathered a nice collection of patterns for inclusion in this book.

Finally, a fully illustrated, stepbystep knitting book that melds classic Scandinavian knitting patterns with the latest Norwegian designs! Traditional, quintessentially Norwegian favorites like the Setesdal and Marius sweaters rub shoulders with funky modern tunics and chic berets. This book includes dozens of designs for all kinds of knitted clothes and accessories: vests, jackets, dresses, gloves, scarves, socks, and much more. The wide range of possibilities and rich selection of patterns are sure to delight knitters of all tastes whether you're looking for colorful, casual comfort, or just want to keep warm all winter long!

In this collection, Karen Marie Vinje combines classic Scandinavian knitting patterns with current designs. The beauty of historical knitting meets 21st-century tastes and they coexist remarkably well. Cast On magazine
