Mary Seckler : Handmade Books Bindings before purchasing it in order to gage whether or not it would be worth my time, and all praised Handmade Books Bindings:

0 of 0 people found the following review helpful. Handmade Books and BindingsBy GeorgieI received this book well before the stated time, it was a bit crunched due to poor packaging but I am still very pleased with the purchase. Many thanksGeorgie McCormick1 of 1 people found the following review helpful. WARNING: DO NOT PURCHASE THIS BOOK!By Lorena GarwoodI purchased this book through Design Originals (not). When I received the book, I noticed there was a printing error (missing text, missing templates, duplicate photographs, etc). I tried to get Design Originals to send me a corrected version and instead their publishing company, FOX CHAPEL PUBLISHING, emailed me a pdf file with a "corrected" page 50. Not only is it tacky for them to email me a pdf page of a instructions and expect me to glue it into my defective copy, the instructions they sent me are not even complete! I emailed them

pictures of what is printed in my copy of this book to show them that information is clearly MISSING from their "corrected" instruction page (pdf). Rather than replacing my defective copy of the book, FOX CHAPEL PUBLISHING insisted that they are unaware of any other printing errors. And, I had to chase them down to get that response! I ordered and paid to have a correct copy of this book but that is NOT what I received. Save yourself the aggravation and the money. NOT WORTH IT! should refuse to sell defective products where the publisher is not even willing to correct the problem.0 of 0 people found the following review helpful. Four StarsBy Lee Fertittagood

Using elegant materials and natural elements to richly adorn books is easy with these irresistible projects that are suitable for all skill levels.

About the AuthorMary Kaye Seckler has been a paper artist for 15 years. She owned a craft store for ten years and has been teaching, writing, and consulting in the hobby industry for over ten years.
