The arrival of a new baby is not only cause for celebration, but also the perfect opportunity to get creative. Handmade for Baby goes beyond the usual sewing-oriented titles, to include a wide range of crafts such as paper cutting, felting, and crochet, as well as featuring simple home decor ideas for the nursery and styling ideas for parties and photo sessions. All projects are kept easy and achievable - no specialist skills or equipment required - appealing to infrequent crafters and friends who may feel less confident about their craft skills, but still want to contribute something special and handmade to the baby shower. Stencils are provided throughout the book where applicable, and galleries at the

end of each chapter showcase an inspirational selection of finished projects, highlighting the fantastic results that can be achieved with different craft techniques. Standing apart from the other baby craft project books, *Handmade for Baby* is unique in its handy organization of projects into the following chapters or stages: Pregnancy announcement; Preparation; Baby Shower; New Arrival; First Month, and First Birthday. Original and inventive ideas are suggested for each stage, from wall stencils and themed bunting for the nursery (preparation) to baby handprint party invites (first birthday). The book has a lovely light, fresh, contemporary feel, featuring beautiful watercolor illustrations that accompany each step-by-step project. Featuring a beautifully varied selection of adorable projects for babies and toddlers, *Handmade for Baby* offers a wealth of inspiration and practical advice for new parents, friends, family, and crafters of all kinds looking to make gorgeous handmade keepsakes that will be treasured for many years to come.
