When I got to the sections to make mosaics and silver clay jewelry, they seemed a bit daunting, since these require special supplies and tools I haven't used before. These parts are not for beginners. Overall, there are a number of things I do love, which is all the step by step illustrated projects: The Blossom pillow, The Journal bookbinding, the Rollaway Game Board, Embellished Felt Brooches, Knotted Scarf, Stenciled prefabricated canvas bags, phone and tablet covers, homemade soaps, bath bombs, sleep eye mask, pet gifts, like the dog treats and tartan dog coat, great recipes for simple sweet treats to make for people (like the flavored oils, caramels and cookies) and the homemade gift wrap, boxes and bags, 0 of 0 people found the following review helpful.
