**Eunice Moyle, Sabrina Moyle, Shana Faust : Handmade Weddings: More Than 50 Crafts to Personalize Your Big Day** before purchasing it in order to gage whether or not it would be worth my time, and all praised Handmade Weddings: More Than 50 Crafts to Personalize Your Big Day:

5 of 5 people found the following review helpful. A must-have for brides and planners By bibiI bought this book even though I knew it included many projects I already knew, because I was looking for inspiration and for a tool to use with clients (I am a wedding planner) to show them what can be accomplished with seemingly inexpensive ingredients (such as paper, for example). I have to say I found exactly what I needed. The book has shown me ways of using skills and projects I already knew, but in a different way. But most importantly, it is a solid collection of inspiration boards, that brides can immediately relate to. Instructions are always complete and clear, even though the projects are not always easy to replicate. But that is something we all know: DIY is not an easy route for brides to take, unless they

have time, relevant skills and a lot of help from their family and friends. I think this is a formidable basic reading for planners and brides alike. Build your library on it. 0 of 0 people found the following review helpful. Wish I was planning a wedding! By Nancy A. North-gates I like the organization of the book: after explaining what a theme is as apposed to a motif the book is divided into several themes such as country or graphic. Each theme has projects for the same decorations for a wedding from invitations to centerpieces. Variations are given for some of the projects to use the same directions for a different theme. The directions were complete and easy to follow and include materials and tool lists, timelines, costs, and how to have friends help. Many of the projects could be used for planning other types of events such as special "0" birthdays or wedding anniversaries. I used one of the projects as the inspiration for an auction project for a community theater project where the director had asked for "wedding themed" items; I tried something new and the instructions helped me avoid problems and finish on time. 0 of 0 people found the following review helpful. great find By Elyse Mallonee I wasn't sure what to expect to from this book when I bought it. I thought it might have a few helpful tips here and there and some nice pictures. I got it for only \$10.99 ( from cherrybooks ) so I thought any advice would be worth the price. This books has so many DIY projects I'm having a hard time narrowing down the ones I want to do ( because I want to do almost all of them ). the book is broken down in to six different types of weddings Retro homespun , girly romantic, happy graphic, organic minimal, modern classic, and found. after each project there is a side note on how to alter it to fit in a different style from the book. also, the project range from easy to advance. this book is worth checking out!

Handcrafted details are at the heart of a beautiful wedding adding charm, meaning, and style. In this delightful book, Eunice and Sabrina Moyle, the founders of Hello! Lucky, join forces with stylist Shana Faust to bring you over 50 gorgeous projects. Whether you favor a modern, classic look or a retro, homespun flavor, you'll find plenty of crafts and inspiration suited to your taste from vintage-key save-the-dates to delicate paper wreaths to silhouette bride and groom signs. At the front of the book you'll find guidance on choosing a look, sourcing materials, and working out timelines. Then, each of the 50 projects are fully explained with photos, how-to diagrams, and step-by-step directions. Clever, creative, and budget-friendly, Handmade Weddings is the perfect handbook for the bride looking to style her day her way.

About the Author Eunice Moyle and Sabrina Moyle co-founded Hello! Lucky in 2003 with a vintage Vandercook printing press. They are also the co-authors of Handmade Hellos. They both live in San Francisco. Shana Faust is a freelance stylist and the former Deputy Style Editor of Martha Stewart Weddings. She lives in New York City. Joseph De Leo is a food and still life photographer based in New York City. His work has appeared in numerous books and magazines.
