Erika Knight : Harmony Guides: 101 Stitches to Knit (The Harmony Guides) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Harmony Guides: 101 Stitches to Knit (The Harmony Guides):

0 of 0 people found the following review helpful. Stitches to Knit into StuffBy RGI like doing baby blankets in simple patterns that I dont have to think about or plan out. And these are perfect, I cat toss the single card in my knitting bag and off I go. Everything is there to knit a baby blanket, I just need to make border stitches and off I go.9 of 9 people found the following review helpful. Convenient Stitch GuideBy M. SmithI received this as a Christmas gift and love it. The only thing that would make it perfect would be to include the basic stitches as well. As a beginner knitter, I sometimes forget which is garter! I love that they are cards and you can take one out and with you if need be. I would recommend this set, a very nice gift idea. ;0)0 of 0 people found the following review helpful. Enjoy this collection of stitches for any knitter.By John N. Nixon IIIEasy to use, great instructions, can compare different patterns together. Liked the pattern guides. do wish they had, also, just written instructions, as i am a written persin. But am learning to read graph instructions. Much more!!!

Each card in this pack features a stitch design on the front side and concise easy-to-follow instructions on the back, making it easier than ever to find the perfect stitch pattern for a project. An eight-page booklet on basic knitting techniques is included for beginning knitters and a color-coded system divides the cards into themes--knit and purl,

lace and eyelets, and cables and arans--providing user-friendly organization for the sturdy cards that can be slipped into a handbag or wallet as a quick reference for knitting on the go.

"You can really take a creative leap with Interweave's newest design aids. The cards are color coded and categorized for easy use, and you'll love the tough card stock." Anchorage Daily News
