The hard part is finding all the specialized equipment. I keep the silk ribbons in a special box and the tools in another.....that way the scissors dont get used by others in the house who have a tendency to grab mom's scissors for art projects, and all you sewing mom's out there what a disaster that can be on your fabric or ribbon scissors.0 of 0 people found the following review helpful. Do It YourselfBy luInteresting book and very helpful.0 of 0 people found the following review helpful. Fantastic bookBy Sandra DavisHelen Gibb is a leader in this technique. I also bought a DVD to go with the books because I tend to be

more of a visual learner but the book and DVD enhance one another. I have bought the half doll and I'm in the process of gathering materials to start this project.

This text is an illustrated step-by-step technique guide that teaches readers the how-tos of basic ribbon flower construction. The techniques are combined in the book to create projects that range from practical and pretty to elegant and exquisite.
