utensils and other wooden kitchen things. I would only recommend that author add ladle making tutorial.

Heirloom Wood is a love letter to woods form and function through simple woodworking projects. Combining

traditional techniques with contemporary design, Max Bainbridge teaches you how to identify wood types, source timber, and set up a basic toolbox, then offers step-by-step carving and cutting techniques for making your own pieces. With little experience and very few tools, you'll learn to create hand-carved bowls, cutting boards, spoons, knives, and spatulas, perfect for adding a touch of the handmade to your home. With further advice on finishing your projects how to sand, ebonize, scorch, and texture the surfaces, as well as wax and oil your new, beloved kitchen creation each of your handcrafted projects will be imbued with a tangible history visible through the maker's mark. With beautiful photography and clear how-to instruction, Heirloom Wood gives you everything you need to create timeless kitchen keepsakes to be passed down from generation to generation.

**About the Author** Max Bainbridge graduated from Chelsea College of Arts. Through his company, Forest + Found based out of a workshop in his East London garden he hand-carves sustainably sourced and reclaimed wood into bespoke home wares.
