**Marianne Binetti, Laura Peters : Herb Gardening for Washington and Oregon** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Herb Gardening for Washington and Oregon:

1 of 1 people found the following review helpful. You will be addicted to this book, it's hard to put down. By Sherri G.I first checked it out at the library and it had so much great information on growing and using herbs for my state of OR. that I immediately ordered my own copy and will cherish it. This book is filled with excellent information and ideas

for using herbs. Full of color photos. I wanted to buy one of every herb listed in the book. I love it! 2 of 2 people found the following review helpful. Herb Gardening for Washington and Oregon By Gerry R. Threatt A very informative book about the growing seasons of all the plants listed. In addition, there are pictures of each plant and detailed information on soil types.

This full color book includes: \*herb garden design and basic planting info \*detailed section on what to do with the herbs, including storing \*some basic recipes recommended species, cultivars and varieties that work in your region \* help in plant selection plus photos showing specific uses
