**Kathi Keville : Herbs: An Illustrated Encyclopedia : A Complete Culinary, Cosmetic, Medicinal, and Ornamental Guide** before purchasing it in order to gage whether or not it would be worth my time, and all praised Herbs: An Illustrated Encyclopedia : A Complete Culinary, Cosmetic, Medicinal, and Ornamental Guide:

1 of 1 people found the following review helpful. Invaluable reference tool!By Christine ShuckFor those just starting out, this is a great reference book. I have owned this book for eleven years now and still refer back to it!3 of 3 people found the following review helpful. great for the home herbalistBy tarotqueenThis book makes it easy to identify herbs. Too many herbals give a name and description. With the illustration I have identified several valuable plants that I thought were weeds.0 of 0 people found the following review helpful. Great reference bookBy Denise N.A great book for reference. While I wish it had even more herbs, it does still have a great amount in it.
