before purchasing it in order to gauge whether or not it would be worth my time, and all praised Herbs for the Gourmet Gardener: A Practical Resource from the Garden to the Table:

2 of 2 people found the following review helpful. a very appreciated gift By Phare-CampT was purchased to give as a birthday gift that the recipient loved upon opening. I flipped through it before wrapping to believe it will be a great addition to a discerning young lady's gardening and cook books collection.

The rise of the slow food movement and the return to home gardens mean cooks are donning gardening gloves as often as oven mitts. Modern cooking is heading back to its roots, with home cooks embracing local ingredients and down-to-

earth recipes. With more and more of us discovering the delight of preparing and eating freshly harvested food, *Herbs for the Gourmet Gardener* is the indispensable guide to what to grow, cook, and eat. A feast for the eyes and the table, this user-friendly resource traverses the realms of both the garden and the kitchen, addressing the cultivation, storage, and preparation of more than sixty herbs. Practical growing tips, fascinating histories, nutritional information, and classic recipes appear alongside botanical illustrations drawn from the Royal Horticultural Society's cherished collection. With both familiar varieties and novel options, *Herbs for the Gourmet Gardener* will inspire you to create a world of new shapes, colors, and tastes.

"Will keep gardeners and cooks fully engaged through the dark of winter."
