Thor O. Johnson, Tor N. Johnson : History in Miniature: The St. Petersburg Collection 2-Book Set) before purchasing it in order to gage whether or not it would be worth my time, and all praised History in Miniature: The St. Petersburg Collection 2-Book Set):

1 of 1 people found the following review helpful. Majesty in MiniaturesBy Bookworm70Russian Miniatures have overtaken its rivals in terms of quality reproduction.This set is essential for Professional and Novice Collectors. It contains importantinformation on collecting Figures and blessed with several pictures to wet the appetiteof the Customers.However, Buyers must be aware that this book deals only with the productsof one particular company - Saint Petersburg Collection from the US.1 of 1 people found the following review helpful. Nice Pictures, Best models in the worldBy RoliVery good pictures and well printed. This book will explain the full history of the Aeroart Inc and

the fabulous miniatures of St Petersburg Collection. Highly Recommended. 0 of 0 people found the following review helpful. Toy Story - Little Guys By Goethe A wonderful, if self serving, compendium. If you love collecting military miniatures, especially the highly detailed ones from Russia, this book is a treasure. Unfortunately, it makes you hunger for more ... and more ... and more!

Russian-made miniatures in The St. Petersburg Collection are world famous for beautiful painting, elegant sculpting and overall fine artistic merit. Our new book set presents the fascinating story of bringing these miniatures to the international marketplace. Over 2,000 Color Photographs The 1992-2004 Index Guide Contains Over 1,500 Entries Biographies of the Master Craftsmen The History of the Ground-Breaking Series of Military Miniatures From Its Inception Two Volumes Printed on Acid-Free Paper in Deluxe Slipcase

...truly one of the most outstanding military miniatures book to date. --Russ Bendnarek, Old Toy Soldier Magazine Every page is in full colour, each picture has been meticulously taken and the printing quality is superb. --Mark Avery, Toy Soldier Collector Magazine When it comes to this magnificent two-volume set, I should just write "Wow!" and end my book review there. --Stuart A Hessney, Toy Soldier Model Figure Magazine
