Not so good book, is just a booklet with a limited ...By CustomerNot so good book, is just a booklet with a limited information. Not worth the money0 of 2 people found the following review helpful. Three StarsBy Patricia B.Content different than expected.

Be enchanted by the Desert Rose, and learn how to successfully grow them in your garden. The Adenium, commonly known as the Desert Rose, is a succulent plant. It is native to hot, humid climates in places such as Africa and Arabia, but can be grown almost anywhere if cared for properly. Be inspired to create a sturdy and beautiful garden with the Desert Rose as its feature.
