**Vivian Peritts : Hot Dot Crystals: Add Swarovski Hot Fix Crystals or Rhinestones to Dress Up Anything** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Hot Dot Crystals: Add Swarovski Hot Fix Crystals or Rhinestones to Dress Up Anything:

Duplicate the look of expensive designer detail on just about anything with Swarovski hot-fix crystals.

About the Author Vivian Peritts is a member of the Society of Craft Designers and HIA Certified Professional

Demonstrator. She has written numerous craft articles, project sheets and pattern books. She has taught mega workshops at national trade shows and appears frequently on nationally televised craft programs. Vivian is design consultant for McGill, Inc.
