From Peeters Publishers : Hout in boeken, houten boeken en de Fraaye konst van houtdraayen (Documenta Libraria) before purchasing it in order to gage whether or not it would be worth my time, and all praised Hout in boeken, houten boeken en de Fraaye konst van houtdraayen (Documenta Libraria):

This volume contains a collection of interdisciplinary essays on wood in bookmaking, wooden books and the "Free art of wood-turning." Specialists publishing in this book include dendrochronologists, book historians, conservators, art

historians, theologians and artists working with wood. Dutch text.
