Alison McNicol : How To Knit: A Complete Guide for Absolute Beginners before purchasing it in order to gage whether or not it would be worth my time, and all praised How To Knit: A Complete Guide for Absolute Beginners:

4 of 4 people found the following review helpful. Just IncredibleBy Linda HarlowEven though you might expect that this would just be a little book of fun projects for children, I was able to accomplish far more than I imagined just starting out. The reason is that this little book is dynamic in its presentation. Lots of pictures are always helpful. Comparison charts between metric(the rest of the world) and us is super when one is shopping for supplies. Lots of fun things to work on...functional and fun. Mine goes with me in my project bag, and while I shop!7 of 7 people found the following review helpful. Granddaughter Loves ItBy Gran9We had a early Christmas exchange. My 12 year old granddaughter who has taught herself to knit was very excited to get this book. I would say it is a very elementary level book. Has good illustrations.0 of 0 people found the following review helpful. Not really for absolute beginnersBy juacigo84This book wasn't very helpful for me. I am an absolute beginner in knitting, so I wanted

something to get me started from scratch. The instructions in the book weren't clear. I had to use YouTube videos to know what the book is talking about. The projects at the end seem easy enough, so I'll give it that.

'How To Knit: A Complete Guide for Absolute Beginners' is the perfect introduction to knitting for beginners of all ages: With bright, modern, full color illustrations, anyone can quickly learn to knit, learn a variety of new stitches and make a selection of cute and easy first knitting projects, including fabulous fingerless mittens, funky scarves, baby beanie hats, cute accessories, kids toys and lots more! * Easy to follow How To Knit illustrations* Fun and simple projects to make* Learn a variety of knitting stitches and skills* Perfect for absolute beginners * Projects include hats, scarves, mittens, baby blankets, accessories, knitted toys and more!
