Denise Layman : How to Knit Fashionable Scarves on Circle Looms: New Techniques for Knitting 12 Stylish Designs before purchasing it in order to gage whether or not it would be worth my time, and all praised How to Knit Fashionable Scarves on Circle Looms: New Techniques for Knitting 12 Stylish Designs:

1 of 1 people found the following review helpful. Great for beginners By Eogeaux This book is a good reference for a beginner. You can find much more appealing patterns online, but if your internet access is limited this is a great reference. I used this with a couple other similar books to teach myself. If you're a visual learner, I'd stick to the video tutorials online, if you can follow written directions this would be one of the better books to own. 0 of 0 people found the following review helpful. Confusing instructions on "easy" patterns. By Judith I'm trying the Hyde Park Cowl which

is supposedly "easy". I'm not a beginner and I think these instructions are confusing. I've already ripped it out once and it still doesn't look right. This is knitted on a circle loom as a flat panel and the instructions are not provided how they want you to wrap and turn. 0 of 0 people found the following review helpful. Four Stars By Customer Very instructive.

By using circle looms, knit-wear enthusiasts can simplify stitch work improving the overall look of projects and creating tighter, neater designs. From eyelet lace to picking up stitches, the techniques and methods in this guide will help beginning-level stitchers create unique scarves. Projects are accompanied by instructional photographs and include Westminster Eyelet Scarf, Trafalgar Self-Fringing Scarf, Notting Hill Tube Scarf, Soho Neck Warmer, and Chelsea Hooded Scarf.

About the Author Denise Layman is the author of Learn to Knit on Circle Looms. She lives in Uniontown, Ohio.
