THIS BOOK LOOKS LIKE IT WAS WHAT I WAS LOOKING FOR. I HAVE NOT GOTTEN AROUND TO TRYING IT, BUT I THINK IS JUST WHAT I WAS LOOKING FOR.0 of 0 people found the following review helpful. One StarBy Ida MortonNot what I thought it was a waste of money.0 of 0 people found the following review helpful. INTERESTED IN JUST ONE METHODBy BevLike purchasing any book, there was only one pattern in the method I was interested in. I would prefer to find a book with just the one method (2 circular needles) and various needle sizes so there is something to choose from.

This book focuses on teaching knitters all three methods of knitting socks, using step-by-step photos and a series of helpful hints and tips. The basic designs are given in three sizes for children, women and men and are made with a popular self-striping yarn. Includes seven different sock designs. 48 pages, softcover.
