Barbara Gee : Massachusetts Gardener's Companion: An Insider's Guide To Gardening From The Berkshires To The Islands (Gardening Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Massachusetts Gardener's Companion: An Insider's Guide To Gardening From The Berkshires To The Islands (Gardening Series):

17 of 18 people found the following review helpful. Gee wiz, she knows her stuff!By SusanBarbara is obviously a very talented writer and she's created a no-nonsense, down-to-earth book loaded with information that is actually helpful. So many books provide little information that is truly useful, but her book is loaded with information and Internet links for more helpful tips.
