Melinda Myers : Midwest Gardener's Handbook: Your Complete Guide: Select - Plan - Plant - Maintain - Problem-solve - Illinois, Indiana, Iowa, Kansas, Michigan, ... North Dakota, Ohio, South Dakota, Wisconsin before purchasing it in order to gauge whether or not it would be worth my time, and all praised Midwest Gardener's Handbook: Your Complete Guide: Select - Plan - Plant - Maintain - Problem-solve - Illinois, Indiana, Iowa, Kansas, Michigan, ... North Dakota, Ohio, South Dakota, Wisconsin:

2 of 2 people found the following review helpful. Great Midwest Gardening Resource By Melinda I bought this book to

complete my Midwest Garden book collection. I thought it is a superb resource for myself being a beginner to intermediate gardener. I really enjoyed the section on composting, as I want to begin doing that this year. The detailed zone maps are my favorite resource, the pictures are lovely, and I love the organization of the content. It is easy to look up a plant description. But most importantly, this book is full of tips and tricks to grow a lovely garden.0 of 0 people found the following review helpful. Great TipsBy CD ShopWas looking for a book that would help me with my limited gardening skills. This is great - looking forward to putting some of the ideas to work0 of 0 people found the following review helpful. Move and make a new garden!By LeslieI like the book. It is a new area for me and the format of this book is new. I will get the hang of it soon. Pictures are great.
