## Most Likely to Thrive in Your Garden - ... Most Important Tasks in the Garden Each Month:

Sunset answers the needs of budding Midwestern gardeners with this lavishly illustrated guide to the best ways to make their gardens grow and prosper. Starting with varieties that are known regional successes and moving on to complete planting and growing information, this book is the one that Midwesterners will turn to in order to plan and enhance their gardens. One of the first volumes in Sunset's new series, it includes a Calendar of Top 10 Tasks for each season and a whole chapter devoted to lawns and their alternatives, including native prairie plants. Edited by popular Midwest gardening guru Bonnie Blodgett of St. Paul, Minnesota, editor of *The Garden Letter* quarterly newsletter.
