Modern to Classic is a rare jewel in the world of architectural monographs, welcoming the reader behind the gates of some of today's most inspiring residential estates. Whether it is a contemporary compound, a French chateau, an Italian villa, an English manor or a Neo-classical estate, the internationally acclaimed architectural firm Landry Design Group has skillfully designed each project with an exquisite attention to detail and a keen understanding of their

clients' unique lifestyles. The firm's ability to create within the influence of architectural precedents or to freely invent within contemporary parameters displays a unique talent that has attracted the attention of today's movers and shakers, including such notable clients as Eddie Murphy, Kenny G., Rod Stewart, Sylvester Stallone and others.
