Beautiful color photographs, well written historical information about the painter and the country, and wonderful recipes. The recipes all look delicious and yet mostly easy to prepare. I've already used recipes from the book 3 times (I've had the book less than 10 days) and have been very pleased with results. This is a great book to own or to give as a gift.1 of 1 people found the following review helpful. Visually stunning, greatly informative, with food gardening thrown in! A Triple Threat!By Sharon FirrenoThe photos are sumptuous exquisite, really capturing the sights feeling of Giverny! But this book is SO much more! Read it cover to cover in one night know it will become my go to resource guide for recipes gardening. Many lovely garden to table recipes, with mouthwatering illustrations plus detailed garden designs based off Monet's large vegetable herb garden but adapted to smaller, raised box gardening, again, with luscious, beautifully photographed illustrations. One of the loveliest tomes I've seen in a long time, inspired by the author's

mother. This book truly captures Monet's inspiration for his paintings, in the natural beauty of Giverny. Glad I bought two copies, to share as a gift to my friend, who lived close to Giverny for several years. Know she'll adore it, too! Thank you so much, Ms Bordman, for sharing your Mother's passion your gifted artistic ability to capture the beauty of Monet's piece of heaven! 1 of 1 people found the following review helpful. Inspiring Book! By Ike Carter Beautiful book ! We have been to Paris many times. This time we will finally see Giverny. The book is inspiring for those of us who not only love art, but love gardening and cooking. We made some changes to our garden this year. I will enjoy this spring watching the lettuce grow over a glass of wine and your book.

Foreword by Meryl Streep. For the first time in history, Monets Palate Cookbook: The Artist His Kitchen Garden at Giverny brings Claude Monet's beloved kitchen garden back to life. Written by filmmaker Aileen Bordman and garden writer Derek Fell, the book includes sixty recipes linked to Monet's two-acre kitchen garden near his home at Giverny, France. Included is detailed information about the vegetables he grew, plus photographs and descriptions of the house interiors and gardens capturing Monet's extraordinary lifestyle. Meryl Streep has written the Foreword and the recipes beautifully photographed by Steven Rothfeld. The farm-to-table tradition lived passionately by Claude Monet has been brought into the 21st century which beckons one to take a culinary journey in Monet's footsteps. The backdrop to the renaissance of the garden are chapters that cover Monets lifestyle including French tips for entertaining as well as recipes inspired by his cooking journals and places he visited. The recipes were developed using the abundance of fresh herbs and vegetables found in Monet's kitchen garden. Some of Monet's favorites to grow in the kitchen garden included zucchini, cherry tomatoes, radishes, pearl onions, brussel sprouts, asparagus, rosemary and mint. A few of the recipes are of French origin, such as the famous Normandy apple tart. Others are from locations abroad where he traveled in search of motifs to paint, such as the Savoy Hotel, London where Monet acquired their recipe for Yorkshire pudding. Exquisite photography and inspired recipes brings Monets kitchen garden back to life. Aileen Bordman is the creator and producer of the acclaimed documentary film titled Monet's Palate: A Gastronomic View from the Garden, which has been broadcast nationally through American Public Television to all 350 PBS stations. She has been immersed in the world of Claude Monet since 1980 and has more than 35 years of firsthand experience at Monet's home and gardens. Her knowledge and passion with respect to Claude Monet's lifestyle, cuisine, gardens and art prompted the creation of the Monet's Palate concept. Bordman independently wrote and produced the film Monet's Palate with Meryl Streep, Alice Waters, Daniel Boulud, Michel Richard and Steve Wynn. The film has been screened from Cannes to New York, and was featured during the six-month "Monet's Garden" exhibit at the New York Botanical Garden in New She lives in just outside of New York City in New Jersey. Derek Fell writer and photographer, is the author of two books on Monet, The Magic of Monet's Garden and Secret's of Monet's Garden. He has a strong following as America's most widely published garden writer. His books on gardening, travel and art have been published worldwide and total more than 2.5 million books. He divides his time between Bucks County, Pennsylvania, and Sanibel Island, Florida.

From Kirkus sA lush, respectful homage to the French painter and gardener, Monets Palate Cookbook is filled with recipes inspired by Monets love of fine, freshly grown food. The recipes are easy to create at home (Smoked Salmon, Goat Cheese, Thyme and Chive Spread, for example, or Roast Pork with Cherry Sauce). A beautiful book that evokes a beautiful home. - Kirkus s "One look at the kitchen at Giverny, and it is clear Monet's gourmet world of food and friends amid gardens and paints was a rich part of his life shared with those close to him.
