Mary Irish : Month by Month Gardening in the Deserts of Nevada before purchasing it in order to gage whether or not it would be worth my time, and all praised Month by Month Gardening in the Deserts of Nevada:

2 of 2 people found the following review helpful. Gardening in NevadaBy L. CattThere are all kinds of books out there that have desert gardening, but nothing that I found interesting. Since I live in Las Vegas, I bought this book and love it. It tells me everything I need to know about gardening here.0 of 0 people found the following review helpful. Great gift!By BeekaGot this for my daughter and she loves it.1 of 1 people found the following review helpful. The Most Helpful Book For Me!By RichardThis is a great book for me living and playing in Clark County, Nevada, I use this book all the time to help me understand the desert landscape.

The Month-By-Month series is the perfect companion to take the guesswork out of gardening. With this book, you'll know what to do each month to have gardening success all year. Written by authors in your state, the information is tailored to the issues that affect your garden the most. When is the best time to plant trees and shrubs? Should I fertilize my lawn now? Is it time to prune my roses? What should I be doing in my garden this month? You'll find the answers to these questions and much more inside. This easy-to-use book highlights each of the ten major plant categories using a monthly format. It guides you through each month of the year, telling you exactly what your garden needs. It is like having an expert in the garden with you all year long. Valuable hints are located throughout the book, and beautiful photographs will inspire you. Written just for gardeners where you live, you can be confident that the information is right for you-and your garden will show it.

About the Author Mary Irish is a garden writer, lecturer and educator. She lived and worked in Arizona for 25 years before returning in 2012 to her native Texas, where she currently manages the plant sales program at the San Antonio Botanical Garden. She is a frequent contributor to national and regional publications, including *American Gardener* and *Nursery Management*, and has written several previous regional gardening guides for Cool Springs Press. She was also a contributor to *Cool Springs Water-Wise Plants for the Southwest*. She and her husband Gary live in Castroville, Texas, a historic town in the South Texas plains.
