Kelli Dolecek : Month-To-Month Gardening, New Mexico before purchasing it in order to gage whether or not it would be worth my time, and all praised Month-To-Month Gardening, New Mexico:

1 of 1 people found the following review helpful. Great InformationBy CustomerThis book gave great month to month tips. I defiantly suggest this book to you. I am glad I bought it.6 of 6 people found the following review helpful. Finally, Succesful Gardening in New MexicoBy C A HubregtseI have lived in New Mexico for many years. I love working out in the yard but it's so tough to garden here. Last July I discovered Month-To-Month Gardening, New Mexico and finally I have a beautiful garden. The author made the book so easy to use, and the plant lists and How-to section gave me all the information I needed. She also provided a list of best and worst plants for New Mexico, so I

wasn't wasting my time with plants that wouldn't grow here in New Mexico. I love the format of the book. Kelli Dolecek, the author has really made my gardening easy. Each month I simply follow the planting or maintenance tips that are listed for that month. Thanks so much for writing such a great book on gardening in New Mexico. I've recommended it to all of my friends. 0 of 0 people found the following review helpful. This book is so helpful! It actually makes gardening easy! By A Customer Month-To-Month Gardening New Mexico is the best book I've read yet on successful gardening in New Mexico. The book offers hundreds of tips on things you can be doing to create a beautiful garden. I especially love the journal provided throughout the book. By journaling facts about my own garden, the book has become my own personal gardening guide. I love this book and would recommend it to anyone interested in successful New Mexico gardening.

Basic gardening book with monthly tips specifically for New Mexico climate. It also includes how-to information, designs for New Mexico landscapes, and best and worst New Mexico plant lists. This 4 color book covers everything from annuals to perennials to roses to vegetables to herbs to lawns to trees and shrubs. Readers will also find space to make journal entries about their own gardens. How-to section includes information about New Mexico watering, weeds, insects, harvesting, fertilizing and more. Included in the design section are a patio garden, container gardens, wildlife gardens, kitchen garden, border flower garden, mountain garden and more. See the best and worst New Mexico plant lists for groundcovers, roses, low-water plants, trees and shrubs and more.

About the Author Kelli Dolecek is a writer/researcher by trade. Her 10 year-old company, TDC, is a market research firm specializing in in-depth, one-on-one interviews in studies for associations. Kelli needed a book like Month-To-Month Gardening, New Mexico and couldn't find one, so she decided to research and write it herself. After three months of research on her own, she then selected and interviewed experts with over 100 years of New Mexico gardening experience who reviewed and edited her information. The consensus is found in Month-To-Month Gardening, New Mexico.
