Kelli Dolecek : Month to Month Gardening Utah: Tips for Designing, Growing and Maintaining Your Utah Garden before purchasing it in order to gage whether or not it would be worth my time, and all praised Month to Month Gardening Utah: Tips for Designing, Growing and Maintaining Your Utah Garden:

0 of 0 people found the following review helpful. and my daughter said this was the most useful. I read itBy L. HammonsI bought this book for my daughter who just bought a house. The previous owner passed along all her gardening books, and my daughter said this was the most useful. I read it, too, and really liked the timelines showing

what to do in the garden and when. Great for the new gardener, and a good tool for the experienced gardener. 18 of 19 people found the following review helpful. This book is so useful. It actually makes gardening easy! By A Customer
Month-To-Month Gardening Utah is the best book I've read yet on successful gardening in Utah. The book offers hundreds of tips on things you can be doing to create a beautiful garden. I especially love the journal provided throughout the book. By journaling facts about my own garden, the book has become my own personal gardening guide. I love this book and would recommend it to anyone interested in successful Utah gardening.

Basic gardening book with monthly tips specifically for the Utah climate. It also includes how-to information, designs for Utah landscapes, and best and worst Utah plant lists. This 4 color book covers everything from annuals to perennials to roses to vegetables to herbs to lawns to trees and shrubs. Readers will also find space to make journal entries about their own gardens. How-to section includes information about Utah watering, weeds, insects, harvesting, fertilizing and more. Included in the design section are a patio garden, container gardens, wildlife gardens, kitchen garden, border flower garden, mountain garden and more. See the best and worst Utah plant lists for groundcovers, roses, low-water plants, trees and shrubs and more.

About the Author
Kelli Dolecek is a writer/researcher by trade. Her 10 year-old company, TDC, is a market research firm specializing in in-depth, one-on-one interviews in studies for associations. Kelli needed a book like Month-To-Month Gardening, Utah and couldn't find one, so she decided to research and write it herself. After three months of research on her own, she then selected and interviewed experts with over 100 years of Utah gardening experience who reviewed and edited her information. The consensus is found in Month-To-Month Gardening, Utah.
