Some of the choices included were not instructive in that they seemed not to break new ground. The book's title seems like it will an examination of the more cutting edge developments in the sphere of Brazilian architecture. For me, it said little new. Even the cover seems to convey that this book takes the easy way out. It's an unfocused, pretty book.2 of 5 people found the following review helpful. I enjoy just browsing through this bookBy Bonnie CaliforniaI enjoy just browsing through this book, I see different things each time I do.... very inspiring to be clean and simple and one with nature to get a beautiful effect....0 of 4 people found the following review helpful. Beautiful photos and inspirational ideasBy MarijanaBeautiful photos and inspirational ideas.However a few pages were damaged which were close the centre of the book (holes and scratches)

Presents a range of beautiful and original Brazilian houses building on the countrys potent legacy of modernist tropical architecture Brazil is a country blessed with natural beauty and the buzz of megalopolises and resorts. Amid glamorous beaches and lush tropical vegetation, contemporary Brazilian architects are establishing a global reputation

through house and hotel design that combines a bold contemporary aesthetic with a uniquely Brazilian sensibility. Organized into three sections "Town," "Country," and "Coast" the carefully selected houses presented here offer new takes on indooroutdoor living, beautifully crafted local materials, and a mastery of natural light. The locations range from stunning city homes to country retreats and tempting coastal escapes in cities including Sao Paulo, Rio de Janeiro. Featuring work by Marcos Acayaba and Pritzker-prize-winning architect Paulo Mendes da Rocha, together with homes by designers such as Fernanda Marques, Guilherme Torres, and Andr Piva, New Brazilian House reflects the vitality and verve of Brazils architecture and design today. 400+ color illustrations

Impressive. - Interior DesignExplores 25 recent projects by the countrys contemporary visionariesIsay Weinfeld, Arthur Casas, and Marcio Kogan, and among themshowing how they have fashioned their own idiom, one that embraces rectilinear forms and organic materials. - Architectural DigestNot just a retrospective of Oscar Niemeyer and Lina Bo Bardi. Each section of the lavishly illustrated book shows that the vitality and flair of the Brazilian people are alive and well in its architectureand that it's not just an urban luxury. - MetropolisA thoughtful and informative tour of some of Brazils most provocative contemporary houses. - New Brazilian HouseChronicles distinctive modernist architecture. - Palm Beach Daily NewsFrom Sao Paolo and Rio to the coastal towns of Paraty and Ilhabela, from city homes to country retreats and seaside escapes, these pages reflect the vitality of Brazil's architecture and design today. - Florida DesignWill be as useful to landscape architects and designers as home architects and designers. - ProtoviewAbout the AuthorDominic Bradbury is a design writer.Richard Powers is an architectural and interiors photographer.
