By Jean Perkins
Disappointed. Nothing to really hold on to. Better books published before.
2 of 2 people found the following review helpful. Excellent gardening tips for beginners.
By Ilse
As a gardening novice who recently moved to New England, I found this book extremely helpful. It is well written and contains lots of pictures and useful tips.

By E. A. Morgan
This is a terrific book that really does tell you what do to month by month. The descriptions and illustrations are very instructive. It does not matter if you are an experienced gardener or a novice, this book is well worth the money.

This is the perfect book for beginning to intermediate gardeners and home landscapers living in New England (including Connecticut, Maine, Massachusetts, New Hampshire, Rhode Island, and Vermont). New England Month-by-Month Gardening gives you the when-to and how-to for growing, caring for, and maintaining your garden and all types of plants. All of the information you need is given in a chronological, straightforward way. From January to December, each month has specific advice on what should be done in your garden. Step-by-step photographs give you the confidence to make your garden as unique as your New England home. Author Charlie Nardozzi is a nationally recognized garden writer, speaker, and radio and television personality. He is your guide to the garden, with specific when-to and how-to content to give New England gardeners the tools to be successful.

About the Author
Charlie Nardozzi is a nationally recognized garden writer, speaker, and radio and television personality. He brings expert gardening information to home gardeners through radio, television, lectures, the Internet, and the printed page. Charlie delights in making gardening information simple, easy, fun, and accessible to everyone. Charlie has his own radio and television shows, is a well-known public speaker, and is the author of Cool Springs Press' Northeast Fruit Vegetable Gardening (2012), Vegetable Gardener's Journal and Magnet Gift Set (2014), New England Getting Started Garden Guide, and the upcoming Foodscaping (2015).
