Pegi Ballister-Howells : New Jersey Gardener's Guide (Gardener's Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised New Jersey Gardener's Guide (Gardener's Guides):

0 of 0 people found the following review helpful. Five Stars By mamacastrogreat must have if you live in NJ and like gardening. Got it in great condition. 2 of 2 people found the following review helpful. This is my gardening "Bible"! By Customer I LOVE this book! I borrowed it from the library for weeks before buying it. I'm a great note-taker, but still couldn't take enough notes - and needed to own it as a continual reference book. Once, I lent it out to a friend, and didn't get it back, so I ended up buying another one. I HAVE to have this book as a gardening reference - especially for planning during the winter, and especially for buying season in the spring and summer, and especially for the

"what to plant in fall for next year" season. It has easy to read notes/icons for birds, butterflies, aroma, anti-deer, etc. Easy to read notes/icons for sun and water conditions. Great background info on the plants, and wonderful descriptions and tips for growing. Divided into sections by annuals, perennials, shrubs, trees, groundcover, etc. Easy to use read, but packed with everything you need to know about gardening in NJ. 0 of 0 people found the following review helpful. Five Stars By sharon dempsey Perfect!

"Gardening is now the favorite leisure pastime in America. Homeowners are realizing the health benefits derived from gardening and the increase in their home's property value. This book contains easy-to-use advice on the top landscape plant choices. It also recommends specific varieties, and provides advice on how to plant, how to grow and how to care for the best plants.

About the Author Pegi Ballister-Howells is the host of a call-in radio program, "The Garden Show," on WCTC-AM 1450 in New Brunswick. She also has her own 30-minute cable show on EBTV called "At Home With Pegi" and has worked with the New Jersey Farm Bureau, New Jersey Nursery and Landscape Association, Rutgers University Cooperative Extension, and the Vegetable Growers Association of New Jersey. Author of numerous gardening articles she currently writes the newsletter for the Vegetable Growers Association of New Jersey. She, her family and assorted pets, live on a ten-acre farm, Blooming Acres, where they do extensive ornamental and vegetable gardening.
