By Rain Stevenson
I never entertained the idea of making my own soap. Why bother? Until now, I just realized that I have no knowledge as to what chemicals are mixed in those commercial soaps I buy. This book just confirms that we really have to take care of our environment. Creating your own soap is doing the environment a favor. Of course these home-made soaps make perfect gifts for any occasion.

By Penelope
So happy I got this book! Now I can go the natural way to cleaning my home and myself. Learning soap making is easy...I look forward to trying the recipes in this book.

LEARN HOW TO MAKE AMAZING SOAPS RIGHT IN YOUR OWN HOME WITH SOAP MAKING FOR BEGINNERS! **INCLUDES 365 RECIPES FOR EVERY DAY OF THE YEAR! If you have ever wanted to learn how to make your own soaps in the comfort of your own home then the time is now to take action and get started. Maybe you just want to begin a new hobby or maybe start a side business to make some extra money. These days, the soaps, detergents, and other household cleaning products that you use are often loaded with unknown chemicals. While they may claim to be safe to use, do you really know what is in them? Can you and your family really take that chance? These products can be especially harmful for anyone who has sensitive skin or other allergies. It is a lot better when you can make your own soaps and household cleaners, and guess what it is easy! So lets begin with 365 Days of Soap Making. In this e-book, you will find loads of recipes for every kind of soap. From bar soap to liquid soap to laundry detergent and heaps more.
