Colcha designsBy Sheila Millerexcellent colcha designs. Would like to see more on same subject. Myself and a friend are very interested in the art of colcha0 of 1 people found the following review helpful. It's OKBy Carol A. JohnsonInteresting for the first two or three pages. I thought it would open up the culture of the designs and riddles more.

The riddles in this book, in both Spanish and English, represent a wide variety of types from the poetic to those with hidden or double meaning. The patterns are representative of the early colcha embroidery designs from Spanish colonial times in New Mexico when embroidery was a major handicraft.
