Owen Marshall : Spinning A Line - New Zealand Writing About Fishing before purchasing it in order to gauge whether or not it would be worth my time, and all praised Spinning A Line - New Zealand Writing About Fishing:

0 of 0 people found the following review helpful. A Classic New Zealand Perspective on Fishing and both Present Native Culture...Excellent!!By David Mason"The story goes that Maui hooked the North Island out of the sea from his waka, the South Island, so it is little surprise that fishing is much loved in new Zealand. Its appeal, though, is personal and the experiences it has engendered are as various as they are fascinating. Owen Marshall has netted a catch of some of the best local writing about fishing, including prose and poetry, fact and fiction, old and new. There are accounts of sea trawling and river fly fishing; there are fishy pieces about the lasting power of both childhood memories and a single moment; there are tall tales and flashes of verse; there are eels and flatties, trout and skipjack." A must read for anyone remotely interested in New Zealand culture, whither a fisherman or not. 5 Stars!!

Not all these writers are expert in fishing, but all are

skilled with words, offering an entertaining read for anyone who notices when the fish are rising.
